# Dr. Bob Baptista Biographical Sketch

Bob Baptista (1920-2015) was Wheaton's first full-time men's soccer coach and guided the team for 16 seasons, tallying 104 wins, with 52 losses and 22 ties. He produced 11 All-Americans and 47 All-Midwest players. His teams won two conference titles and three NCAA Mid-East Regional championships.

As a Wheaton student, Baptista captained both the soccer and basketball teams. He took over as soccer coach in 1951, and also assisted with the basketball team through the 1950's.

Baptista's coaching highlights include back-to-back wins over Michigan State and eventual NCAA champion St. Louis University to give Wheaton a share of the conference title in 1959, and an undefeated team in 1966 (11-0-3), the team associated with the "phantom goal."

An apparent goal by Lake Forest tied a match at 1-1, but was not counted by the official. The goal was later credited after a protest by Baptista and consultation with his goalkeeper who, along with two spectators, saw the ball go through a hole near the bottom of the net. A tie was declared, and Wheaton won two later rematches. Baptista later told the student body, "Suddenly and unexpectedly faced with the acid test, Wheaton has a lot more to gain than lose."

The 1966 and 1967 teams were responsible for the first two of six consecutive Mid-East regional titles. The 1966 team was inducted into the Wheaton Athletic Hall of Honor in 1996.

In 1976, Baptista received the Honor Award, the highest honor given by the NSCAA. Other honors include being chosen Wheaton College's "Junior Teacher

of the Year" in 1962 and "Alumnus of the Year" in 1973.

Baptista earned his master's degree from Buffalo University and a Ph. D. in physical education from Indiana University during his coaching years. In 1972, he became Wheaton's Dean of Faculty and Vice President for Academic Affairs.

In 1973, Baptista became the president of Sterling College in Kansas, and accepted the same position at Taylor University in 1975.

Bob and his wife, Martha (1924-2018), are members of Wheaton's Athletic Hall of Honor. Martha coached Wheaton's women's basketball team from 1960-69, and was a Wheaton faculty emerita. Her 1967-68 team went 11-0, and was inducted in the Hall of Honor for its accomplishments.
